**During the 12<sup>th</sup> Five Year Plan period, a total of 84,300 people in Wuwei City, Gansu Province were relocated, with 425,300 people lifted out of poverty.** On the occasion of the new round of national poverty alleviation, Wuwei City sized the grand opportunity to promote the deep fusion of “1236” poverty alleviation campaign—to

increase income as "one" core; to make food and clothing no longer "two" worries; to guarantee "three" supplies in compulsory education, basic healthcare and housing; and to achieve six breakthroughs in infrastructure construction, enriching farmers through agricultural industrialization, poverty alleviation through relocation in other places, financial support, public service support and enhancing labor skills—and the campaign to “enrich farmers through two forms of connection” — cadres connect with destitute villages and impoverished households. From 2011 to 2015, an addition of 72 thousand people has been relocated, outperforming the Five Year Plan target and consequently poverty incidence dropped from 35.44% in 2011 to 9.1% in 2015.
