Poverty Reduction Briefing

2016.No.14(May 11-20, 2016)

State and Ministerial Policy News:

Vice Premier of the State Council Wang Yang emphasized on a telephone conference under the theme of “supporting pilot programs for impoverished counties to plan the use of fiscal agricultural funds” that “supporting impoverished counties to plan the use of fiscal agricultural funds is essential to allocating the fiscal fund effectively and guaranteeing the capital need for poverty reduction. Based on key poverty alleviation programs, the fiscal agricultural funds are used in pairs in order to increase the accuracy and effectiveness of poverty alleviation, and provide a powerful guarantee for poverty reduction.”

Director of the Poverty Relief Office of the State Council Liu Yongfu pointed out when studying the poverty alleviation collaboration, relocation of residents in poor areas and precise poverty reduction in Minning Town, Yongning County, Yinchuan City, Ningxia Hui Autonomous Region, that “national poverty reduction is gaining momentum. The poverty reduction departments shall hold confidence, seize opportunities and overcome difficulties. The first is to advance the big data platform for poverty alleviation, the second is to oversee the implementation of poverty reduction policy and the third is to strengthen the supervision over poverty alleviation fund.”

Haikou City of Hainan Province has adopted the *Action Plan of Precise Poverty Reduction in Haikou during the 13th Five Year Plan*, which is targeted to lift impoverished people on record out of poverty by 2017 through precise poverty reduction in a “whole-course and all-round” way. It is expected to support impoverished people in poverty alleviation from the beginning to the end and take various measures to prevent them from slipping back to poverty afterwards. Haikou will exercise precise poverty reduction from five perspectives, namely industrial development and infrastructure construction, training and employment transfer, educational support, medical support and minimum guarantee.
